Boy Scouts of America

# Matthew McGoarty

**Hometown:** Las Vegas, Nevada

**Grade/ School:** Sophomore,  
University of Nevada, Las Vegas

**Shooting Experience:** I was never able to become active in many sports when I was growing up due to the fact that I am a Factor 8 Hemophiliac. Shooting, however, was one sport I could participate in and I began to enjoy it very much. I have shot and competed locally while also going on to earn every shooting award in the BSA. I have been an active member of the Boy Scouts of America for almost 14 years. For the past 6 years I have also been a member of its high-adventure oriented Venturing program for which I am currently serving as a National Youth Officer in the office of National Youth Cabinet President and formerly Western Region Venturing President.

**Current Shooting:** Shooting instructor for Cub Scouts and Boy Scouts in the local Las Vegas area.

**Future Plans:** I founded and currently run a small tech startup in Las Vegas with our first product serving Volunteer Firefighters. I plan to continue to build my business.

The BNYSSA offers youth cash awards, camaraderie, travel, introductions to national shooting sports celebrities and career opportunities.
