After interning for a summer with the NRA Education & Training Division, I am now a NRA Shotgun Coach and Assistant Rifle Instructor.

**Future Plans:** I would like to continue my working relationship with the NRA throughout college. I plan on graduating in 2016 with a major in American Studies and a double minor in Business Administration and Spanish, then possibly continuing on to graduate school. My ultimate goal is to go into public policy and work for the NRA or another conservative organization in order to protect our First and Second Amendment rights.
