

**Remington J. Little**

National Rifle Association

# Remington J. Little

**Youth Organizations:** National Rifle Association

**Hometown:** Crosswicks, New Jersey

**Grade:** College Freshman

**School:** Clarkson University

**Shooting Discipline:** Smallbore Rifle, High Power Service Rifle, International Air Pistol, Trap Shooting

**Shooting Experience:** From the age of 10-14, I participated in Citizen's Rifle and Revolver Club's junior rifle marksmanship program. I developed my marksmanship skills enough to join the club's Junior Smallbore Rifle Team. Through 2012-2014, we won the NRA Junior Club Smallbore Rifle Team Postal 4-P Matches three times and the 3-P Matches twice. My teammates and I became a Junior National Record Team in Outdoor Conventional Position with Metallic Sights in a 120 shot, 50 yard 3-P smallbore rifle match. I also compete in high power service rifle, international air pistol, and participate in CRRC's Jr. trap shooting program. In high power rifle, I have competed at the CMP National Matches at Camp Perry, Ohio (2012-2015) and have earned 10 EIC-Points from the 2015 National Trophy Individual Match. I won the 2014 NJ State High Power Rifle State Championship in the Sharpshooter Division. I earned the Silver Medal in the 2012 USA Shooting Postal Preliminary Try-Outs for the Junior Olympics for International Air Pistol. I have earned Distinguished Expert in the Winchester/NRA Marksmanship Program for smallbore rifle, high power rifle, and international air pistol and am working on earning Expert in trap shooting. I am a NRA Apprentice Pistol Instructor and have helped teach NRA courses at CRRC and I instruct my Boy Scout troop on firearm safety and marksmanship before our annual shooting/camping trip. When not shooting in competitions, I like spending my time hunting a variety of game species with shotguns, muzzleloaders, rifles, and bow and arrows.

- Hobbies:**
- Shooting
  - Building firearms
  - Hunting (deer, waterfowl, turkey, and coyotes/foxes)
  - Fishing
  - Woodcarving
  - Hiking
  - Canoeing

**Future Plans:** I am going to earn a Bachelor of Science degree in Mechanical Engineering and become a research engineer in firearm design. I also plan to start competing in long range precision rifle matches.

The BNYSSA offers youth cash awards, camaraderie, travel, introductions to national shooting sports celebrities and career opportunities.

For more information about the program and selection process please contact your NRA youth organization partners: Boy Scouts of America, Royal Rangers, National High Schol Rodeo Association, Venturing, USA Shooting, NSSP, or NRA Youth Programs at 703-267-1597
