FUTURE PLANS

Lord willing, I will complete my business employment internship and I will graduate with both my High School diploma and earn my Associate's Degree in May 2018. Afterwards, I plan to pursue my Bachelor's Degree in Business Management. When I earn my degree, I'd like to work with the Federal Aviation Administration as an Air Traffic Controller. Ultimately, my career aspirations will support my dream to one day to own an outdoor sporting company. I also intend to continue serving in Royal Rangers as a Commander and possibly advance in service to the ministry as I gain more experience. I know God holds my future and I trust Him with every detail.

The BNYSSA offers youth cash awards, camaraderie, travel, introductions to national shooting sports celebrities and career opportunities.
