## SHOOTING EXPERIENCE

I have been shooting since I was 10 years old. I started out with a .22

LR pistol and rifle to plink around with on our home range. That quickly progressed to shooting Steel Challenge competitions. About 5 years ago I was introduced to the shotgun sports through a BSA summer camp program and shortly after that I joined the Target Busters, a youth Sporting Clays team, and began to shoot regularly with them. I soon decided to switch my competitive focus to Sporting Clays, Trap and Skeet and I have been shooting shotguns ever since. I enjoy hunting with my field shotgun and go pheasant hunting as well as small game hunting in central Indiana.

## HOBBIES

Besides shooting, I also like to restore cars and work on the family farm. My dad and I started restoring his 1971 Camaro. I also have a 1979 Jeep CJ7 that I enjoy taking off-roading and working on. I enjoy hiking, camping and fishing and go to Canada every summer with my family as well as on local trips with Scouts. I work on the family farm every day after school and participate in FFA to learn more about Ag and am currently President of our local chapter.

## FUTURE PLANS

I would like to go to college for Mechanical Engineering and explore career options in the motorsports or firearms industry. I would like to stay active in youth shooting sports through college and continue to support the NRA and the BSA throughout my life as a mentor, leader and coach.

The BNYSSA offers youth cash awards, camaraderie, travel, introductions to national shooting sports celebrities and career opportunities.
