FUTURE PLANS

My dream is to be an Olympic Athlete, as well as a World Champion. After completing my shooting career, I would like to work with the United States Anti-Doping Agency or with a National Governing Body. With my major of Sport Management, I figure if I am not going to compete as an athlete for the rest of my life I would love to help other athletes.

The BNYSSA offers youth cash awards, camaraderie, travel, introductions to national shooting sports celebrities and career opportunities.
