HOBBIES

I enjoy listening to many different types of music, as well as playing in the school band; playing the flute for Jazz band, and the drums for marching band and winter percussion.

I love to play soccer, compete in shooting sports, and running. In my free time I love to hang out with my friends, and family.

FUTURE PLANS

After high school I plan on attending College, and becoming a Physical Therapist. I hope to continue competing in shooting sports while attending College.

The National Youth Shooting Sports Ambassador program offers youth camaraderie, travel, introductions to national shooting sports celebrities and other opportunities. For more information please visit: youthambassadors.nra.org
