SHOOTING EXPERIENCE

I started shooting and learning gun safety at the age of 5 with my first bb gun and the assistance from my dad and then progressed to hunting as soon as I was able to get a license. I have been shooting competitively since I was 11 years old where I started in the New Mexico Jr. High School Rodeo Association.

2013 I placed 6th at the Jr. High Nationals and won the Family Event with my dad.

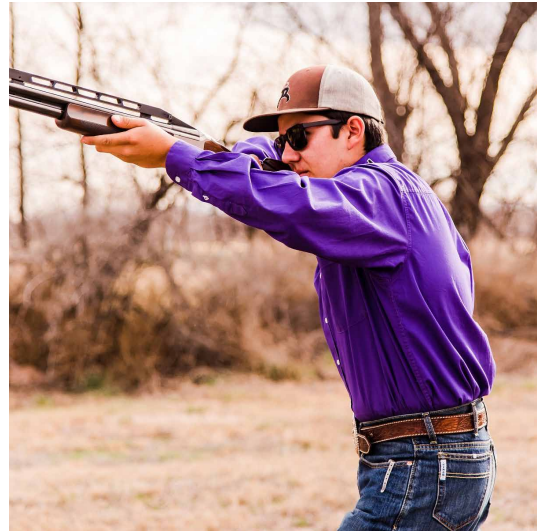

2014 I became National Jr. High School Reserve Light Rifle Champion.

My persistence and determination allowed me to win the 2015 National Title breaking the highest recorded score ever shot in High school or Jr. High and won the Family Fun event.

2016 I broke my own highest score ever shot allowing me to win the National High School Light Rifle Title.

My dedication to the shooting sports blessed me in 2017 and 2018 to win the National High School Title again.

In 2017 I Represented the National Shooting Team as the Associate National Shooting Director.

Competing as a member of the Valencia County 4-H Shooting Sports program allowed me and my team to win 1st place in 2017 and 2018.

As an individual in 4H Shooting I won Reserve Champion in 2017 and Champion in 2018 at the NRA Whittington Center in New Mexico.

HOBBIES

I enjoy teaching my dogs tricks and playing with them. I also enjoy hunting, shooting competitively, riding my horse, team roping and I also like to go four wheeling.

FUTURE PLANS

I plan on attending college to become a Nurse Anesthetist and continue to mentor young shooters. I would also love the opportunity to shoot on a National Shooting Team.

The National Youth Shooting Sports Ambassador program offers youth camaraderie, travel, introductions to national shooting sports celebrities and other opportunities. For more information please visit: youthambassadors.nra.org
